

**Dear Motherwell FC fans,
a warm welcome to the upcoming
UEFA Conference League play-off match in Freiburg!**

On **Thursday, 27 August 2026**, we are pleased to welcome you as our guests to the city of Freiburg and to the Europa-Park Stadion. We are looking forward to an exciting match and a great football atmosphere.

To ensure that all visiting Motherwell FC supporters can travel safely to the stadium, a shuttle service to the stadium will be provided.

If supporters wish to organise a fan march, this must be coordinated with the police in advance.

Freiburg Police will accompany the fan march to ensure that it proceeds calmly and in an orderly manner.

To ensure a safe and peaceful matchday for everyone involved, we would like to inform you in advance about a number of police measures:

- **Border checks:** The Federal Police will carry out border checks on entry into Germany on this day.
- Please pay particular attention to the applicable prohibitions on bringing certain items into Germany, including narcotics, weapons and pyrotechnic articles. Violations of these regulations may result in refusal of entry into Germany.
- **Cooperation:** We ask you to cooperate with the police during any police measures. Disruptive or obstructive behaviour takes up valuable time and may also result in refusal of entry into Germany. If your conduct necessitates police measures, this may affect your ability to attend the match at the stadium.
- **Travel to the stadium:** Please use public transport wherever possible, as traffic restrictions and limited parking are expected around the stadium.
- **Checks:** Admission and security checks will take place at the stadium. Please allow some extra time for entering the stadium.
- **Safety:** Bringing pyrotechnics, glass bottles or dangerous objects into the stadium is prohibited. Violations may result in criminal proceedings, removal from the stadium or a stadium ban for the day.
- **Concealing your identity:** Please note that it is prohibited to conceal your identity at public events such as football matches. Faces and identities must not be concealed with masks, scarves or similar items if this prevents identification.
- Violations of this prohibition may result in criminal or administrative penalties.
- **Fairness:** In football, the principle "**Fair play comes first**" applies not only between the teams, but also between supporter groups and between supporters and the police.

Our aim is for all supporters to feel safe, welcome and comfortable in Freiburg on matchday. Football thrives on passion, respect and fair play - and that is what we are counting on this matchday.

Criminal offences and behaviour that endangers safety will, however, be consistently prosecuted in order to protect the positive atmosphere for everyone.

We wish all football supporters a safe journey to and from Freiburg, an exciting and fair football match, and an enjoyable stay in Freiburg.

Kind regards
