BUNDESPOLIZEI

Dear FK Jablonec fans,
a warm welcome to the upcoming
Conference League match in Freiburg

On Thursday, 15 October 2026, we are delighted to welcome you to the city of Freiburg and the Europa-Park Stadion. We look forward to an exciting and atmospheric evening of football.

To help all FK Jablonec supporters travel safely to the stadium, a shuttle service will run from Karlsplatz to the stadium from 6:30 p.m.

If you would like to organise a fan march, please coordinate it with the police in advance. The march would start at Karlsplatz at 6:00 p.m.

Freiburg Police will accompany the march and help ensure that it proceeds calmly and in an orderly manner.

To help ensure a safe and peaceful matchday for everyone, we would like to inform you in advance about some police measures:

- **Border checks:** The German Federal Police will conduct border checks on entry to Germany that day.
- **Prohibited items:** Please take particular care to observe the restrictions on bringing certain items into Germany, for example narcotics, weapons and pyrotechnic devices. Violations may result in you being refused entry to Germany.
- **Cooperation:** We ask you to cooperate during police measures. Any disruption takes up valuable time and may also result in you being refused entry to Germany. If your conduct prompts police action, this may affect your ability to attend the match.
- **Getting to the stadium:** Please use public transport wherever possible. Traffic restrictions and limited parking are expected in the area around the stadium.
- **Checks:** There will be security checks at the stadium entrance. Please allow extra time for your visit.
- **Safety:** Pyrotechnics, glass bottles and dangerous objects are not permitted inside the stadium. Violations may have criminal consequences or result in you being ordered to leave or banned from the stadium for the day.
- **Concealing your identity:** Please be aware that it is prohibited to conceal your identity at public events such as football matches. You must not cover your face with masks, scarves or similar items if this prevents you from being identified. Violations may have criminal or regulatory consequences.
- **Fair play:** In football, the motto **“Fair play comes first”** applies not only to the teams, but also to the supporters’ groups and to relations between supporters and the police.

Our aim is for all supporters to feel safe, welcome and comfortable in Freiburg that day. Football thrives on passion, respect and fair play, and we hope these values will shape the matchday.

However, criminal offences and conduct that endangers public safety will be dealt with consistently in order to protect the positive atmosphere for everyone.

We wish all football fans a safe journey to and from Freiburg, an exciting and fair match, and an enjoyable stay in the city.

Kind regards,

Freiburg Police Headquarters
